## Sunset on a beach in Seychelles

The Seychelles is an archipelago of 115 islands in the Indian Ocean, off East Africa. It's home to numerous beaches, coral reefs and nature reserves, as well as rare animals such as giant Aldabra tortoises.

A scenic view of a coastal town with stone buildings and a balcony overlooking the sea. The image features a prominent stone building with a balcony on the left, and a clear blue sky and sea on the right. A dark horizontal band is overlaid across the middle of the image, containing the text "Areas of deployment." in white. A large green curved shape is on the right side of the image.

Areas of deployment.

A scenic view of a beach and ocean framed by a large rock archway. The archway is on the right side of the frame, and the view through it shows a sandy beach, turquoise water, and several large rock formations. The sky is overcast with grey clouds. The text "atmosphere by macman" is overlaid on the top right of the image.
